

P.L.E.D.G.E. '17 Strait Regional Conference
St. Francis Xavier University
November 25th-26th, 2017

Special Needs Adaptations for P.L.E.D.G.E. '17

This form is designed so that students who experience physical, developmental, intellectual or mental disabilities can request a delegate assistant for conference in order to be more comfortable. A delegate assistant will assist the delegate for the duration of conference to help them maximize participation during various activities, such as skillbuilding sessions, group activities, etc. **Note:** A delegate assistant is not a trained professional; they're a high school student who will be there to grow with the delegate during the course of the conference. If the delegate requires a trained professional that person can attend the conference as an advisor.

This form is to be handed in along with the delegate registration form and is due to Co-Premiers by November 3rd, 2017.

Do you/the delegate have any physical, developmental, or intellectual limitations? If yes, please list:

To pair you/the delegate with an appropriate delegate assistant, please share some of your/the delegate's interests with us.

Please use the space below to share any further information you feel would help us provide an appropriate environment and experience for you/the delegate.

Any questions can be directed to the Co-Premiers:
Avery MacDonald: averymacdon14@gmail.com or (902) 968-9372
Sara Murrin: sara.murrin@gmail.com or (902) 870-6028
