## Note 1: PC Appointments

To the Provincial Cabinet:

Kaleigh Farmer and I would like to present this year's choice for Vice President Internal. In the new governance framework, appointees for these roles come from the Presidential Trio.

Please find the details below.

Coco

Our bylaws don't currently address the possibility of not having a Vice-President Internal following an election. Article 6.4.4 of the bylaws discusses how a role on PC would be filled in the case of a resignation or removal.

"Any other Provincial Cabinet member who resigns or has been removed from office may be replaced by the Provincial Cabinet with a Supermajority vote in support of the new candidate." -Article 6.4.4 of the Bylaws of NSSSA

I believe it is appropriate to interpret this as a mechanism for filling elected vacancies on PC outside the election cycle, using the process established in Article 6.3.

Therefore, the below appointee for the position of Vice-President Internal is presented for consideration.

Vice-President Internal: Gabe Cook
